

Good, Better... Bittel

UM77 Trimline

Bittel UM77 Trimline phone is specially designed for bathroom. UM77 Trimline provides the durability and dependability you need, in a package that is sure to dress up any location. Simply elegant, UM77 Trimline fits in anywhere you need dependable performance and superior aesthetics.

Main Features

- **Handset Receiver** -- Hearing aid compatibility
- **Wall Mount Hook** – Keep the handset on hook while in wall mount condition.
- **Flash Button** – 600ms flash time by default; flash time can be set from 100 to 900 ms, or set at 1000ms.
- **Redial Button** -- automatically redial the last dialed number. By default, the last dialed number disappears after 5 minutes to protect guests' privacy. You can set whether the last dialed number shall disappear or not.
- **VOL Button** – three-level volume adjusting.
- **Mute Button** – In phone conversation, it can stop phone transmission on your side (with light indicator).
- **Message Waiting Light** – indicator of ringing, voice message; high-voltage and Lucent light by default.
- **Wall-mount or Desk-mount Optional.**
- **SOS optional.**
